TERMS & CONDITIONS

Pricing

- **All prices are subject to applicable taxes unless otherwise stated**
- This price list is effective January 23rd, 2024.

Payment

- **For interment, entombment, and inurnment services the Purchaser agrees to pay the balance of the account at the time of purchase. Fees must be paid prior to the service being provided.**
- **For monument/marker purchases the balance of the contract can be paid at the time of purchase or 50% can be placed as a down payment with 50% being paid on delivery of the monument/marker.**
- **Balances on interment rights must be paid before any interment rights can be exercised, regardless of whether it is being paid on a payment plan or not.**
- Payment may be made by cheque, cash, money order, bank draft, debit card, credit card, or e-transfer
- Interest will be charged on any overdue amount at the rate of 2.0% per month (24% per year) until payment is made in full.
- Any fees incurred by the cemetery to collect on past due accounts will be the responsibility of the purchaser and included in the recovery amount.

Prearrangement Funding

- Woodland Cemetery, Mausoleum and Crematorium offers a variety of options for prepayment of merchandise and professional services.
 - **Trust Investments** – You may pay the money directly to us and we will place it in a trust account, where it will accrue interest until the contract is fulfilled (when the services and supplies are delivered) or the contract is cancelled. You can pre-pay for opening and closing fees using this method. Opening and closing fees are for weekday summer rates during regular business hours. Holiday, weekend, and after-hours services may not be available or require additional fees at the time of booking.
 - **Single Pay or Time Pay Options** – You may prepay for interment rights in a single payment or a monthly plan with a 12-month term using a pre-authorized credit card.
- **Our prepayment options are guaranteed. If prices at the time of death exceed the amount of money held in investments, the cemetery will absorb the difference. If funds exceed the service costs, the unused funds will be returned to the estate.**
- **The growth or increase in value of the prepayment investments increases tax free if the investment is part of an Eligible Funeral Arrangement. If money is refunded to the estate or the Eligible Funeral Arrangement is cancelled the interest is taxable.**
- Investments are regulated, inspected and safeguarded to ensure your money is protected.

Additional pre-arrangement funding information and payment information available upon request.

Other Conditions

- Woodland Cemetery does not offer any rental supplies.
- "Staff Services for Graveside Service" is required for all opening and closings of graves/niches, and for all scattering services if funeral home staff are not attending.
- Vault installation cost is included in the price of the vault being purchased.
- The use of a lowering device is included in the opening and closing fee for traditional burial services.
- A storage fee of \$150 per month is applicable for unclaimed cremated remains after 90 days.

DISINTERMENT SERVICES

The Cemetery's responsibility with respect to exhumations or disinterment is limited to:

- a) Excavation of sufficient quantities of soil to permit access to the human or cremated remains;
- b) Removal of intact burial containers; and
- c) Closure of the grave space.

The Cemetery does not assume any responsibility for damage that may occur to a casket, urn, or other container.

Unless human remains are disinterred from one grave at Woodland Cemetery or Mausoleum for re-interment into another grave space in Woodland Cemetery or Mausoleum, the person who makes a request for the exhumation or disinterment must ensure that the funeral provider receives the human remains immediately after the grave space is opened. A funeral service provider is employed at the expense of the Interment Rights Holder or their successors and is required to coordinate any disinterment services.

Disinterment Fees	
Casket Burial Removal & Re-interment with Vault <i>at new location in Woodland Cemetery</i>	\$ 6,595.00
Casket Burial Removal & Re-interment with Vault <i>at same location in Woodland Cemetery</i>	\$ 5,495.00

Casket Burial Removal of Infant or Child with Vault <i>does not include re-interment fees</i>	\$ 1,850.00

Disinterment Without Vault	
It is acknowledged that disinterments of human remains not interred in a vault will be quoted on a case-by-case basis due to the complexity and of the procedure.	
In some cases the services of an archaeologist must be retained and the costs incurred will be the responsibility of the rights holder(s) or their successors. All human remains, personal items and casket remnants will be collected and removed from the disinterment site.	By Quote

Special Grounds Services Explanation:

The above listed services are for special requests made to the cemetery for specific work done on cemetery plots whose interment rights have been purchased. These items are above and beyond what the Cemetery's perpetual Care & Maintenance fund covers.

Woodland Cemetery uses the perpetual Care & Maintenance fund in accordance with the regulations outlined in the *Funeral, Burial, and Cremation Services Act (2022) ("FBCSA")*. The fund is for the general maintenance and upkeep related to the overall care of the grounds.

According to the *FBCSA O. Reg. 30/11 s. 93 (1)* only the following maintenance is covered by the fund and will be scheduled and arranged exclusively by the cemetery manager:

- 1) to stabilize, maintain, secure and preserve markers in the cemetery
- 2) to maintain, secure and preserve the cemetery, including its grounds, buildings, structures and markers, and the equipment used to maintain, secure and preserve the cemetery.

As such, special work performed on specific owned plots within the cemetery must be paid for by the rights holder or their successors.
