Pricing

- **All prices are subject to applicable taxes unless otherwise stated**
- *This price list is effective April 1, 2025.*

Payment

- *Disbursements are services and items arranged for and possibly paid for on your behalf by Woodland Cemetery, Mausoleum and Crematorium (collectively known as "Woodland Cemetery"). **At the time the arrangements are finalized a deposit equal to or greater than the amount of the disbursements must be paid.***
- **The Purchaser agrees to pay the balance of the account owing within 30 days from the signing of the contract date after which interest will be charged.**
- *Payment may be made by cheque, cash, money order, bank draft, debit card, credit card, or e-transfer*
- *Interest will be charged on any overdue amount at the rate of 2.0% per month (24% per year) until payment is made in full.*
- *Any fees incurred by Woodland Cemetery to collect on past due accounts will be the responsibility of the purchaser and included in the recovery amount.*
- *There will be a charge of \$25.00 for any non-sufficient funds (NSF) cheques returned by the bank.*

Prearrangement Funding

- *Woodland Cemetery offers a variety of options for prepayment of merchandise and professional services.*
 - **Insurance / Group Annuity Contracts** – *You may purchase an insurance / group annuity contract where the proceeds of the insurance / group annuity contract will be used to pay for the services and supplies at the time they are delivered or the contract is cancelled.*
 - **Trust Investments** – *You may pay the money directly to us and we will place it in a trust account, where it will accrue interest until the contract is fulfilled (when the services and supplies are delivered) or the contract is cancelled.*
 - **Single Pay or Time Pay Options** – *You may prepay for services you have prearranged in a single payment or choose a payment plan tailored to meet your budget. Most time pay plans include insurance and offer pre-authorized chequing as a payment option.*
- **Our prepayment options are guaranteed. If prices at the time of death exceed the amount of money held in investments, the funeral home will absorb the difference. If funds exceed the funeral cost or cemetery costs, the unused funds will be returned to the estate. This does not apply to disbursements as they are not guaranteed and are provided by a third-party.**
- **The growth or increase in value of the prepayment investments increases tax free if the investment is part of an Eligible Funeral Arrangement. If money is refunded to the estate or the Eligible Funeral Arrangement is cancelled the interest is taxable.**
- *Investments are regulated, inspected and safeguarded to ensure your money is protected.*

Additional funding and pre-arrangement information is available upon request.

Other Conditions

- Woodland Cemetery does not offer any rental supplies.
- Vault installation cost is included in the price of the vault being purchased.
- A refundable deposit of \$350 to Woodland Crematorium may be collected as part of any cremation service. Woodland Crematorium will retain the cremated remains for one year from the date of cremation. If the cremated remains are not claimed within one year, Woodland Crematorium may inter them in Woodland Cemetery, in a common lot for which the cemetery is the interment rights holder, and Woodland Crematorium may retain the deposit referred to in this section. If the cremated remains are claimed before they are interred, the operator will refund any deposit paid.
